## THE NEW GENERATION OF SUN CARE HAS ARRIVED!

DISCOVER IT NOW

## NEW GENERATION OF FILTER ASSOCIATION CARE 4 YOUR SKIN

# 4 AND ONLY 4 FILTERS

to deliver optimal protection without overloading your skin, true to our **ecobiological approach**.

### MINIMALIST

Very good tolerance

### HIGHLY-PROTECTIVE

- Very high protection
- Very water resistant
- Sand & sweat resistant
- Can be applied on wet or dry skin

### CLEAN & SAFE

- Free from controversial filters: no octocrylene, no homosalate
- No silicones
- No alcohol
- 100 % non-ecotoxic
- Excellent YUKA score 90/100

## SUN ACTIVE DEFENSE PATENT

HIGH-TECHNOLOGY  
SUN PROTECTION,  
REINFORCED AGAINST UVA RAYS

New generation of filter association

+

Biological protection to improve  
the skin's self defense capacity

# +26%

PROTECTION AGAINST  
OXIDATIVE STRESS\*

# +24%

PROTECTION OF SKIN  
IMMUNE DEFENSES\*

## LOWER RISKS OF SKIN CELLS ALTERATION

\*Clinical study on 10 users, phototypes II and III, under sun exposure. Evaluation of several biomarkers to assess the complementarity of filters and a patented biological protection on the antioxidant and immunosuppression protection. Poland, 2021.

## NAOS CARE COMMITMENT CARE 4 THE PLANET

As **eco-biologists** we see the skin as an ecosystem in constant interaction with its environment and we strive to **limit our impact** on it.

Our 4 filters and FINAL formulas are **AQUATIC ECOSYSTEMS TESTED** to ensure they do not present toxicity on corals, microalgae NF ISO 10253 and daphnia OECD 202.
