✓ **NOURISHES** INSTANTLY & LASTINGLY^{4,5}

Reinforces skin barrier and helps skin to retain its water⁴

[SQUALANE]*

[SHEA OIL]*

*100% natural ingredients

Tingling, tight hands?
That probably means that you have a sensitive or a dry skin and that your skin barrier is damaged.

Biphase Lipo alcoolique nourishes and helps **RESTORE THE SKIN BARRIER**⁴. The skin stays hydrated and hands are **SOOTHED** and **SOFTER**⁶.

100%
dryness protection⁶

Strengthens
the skin barrier
2,5x better
than any hand sanitizer**⁴

1. Virucidal against enveloped viruses in 30 seconds EN 14476 under clean conditions. 2. Bactericidal in 30 seconds EN 13727 + A2 under clean conditions. 3. Yeastocidal in 30 seconds EN 13624 under clean conditions. 4. Evaluation and comparison of strengthening effect on skin barrier, by measuring transepidermal water loss on Day 0 and Day 14 after using Biphase Lipo alcoolique, compared to a glycerine-based hand sanitizer. 5. Immediate nourishing effect measured through sebometry test of oily residue - CIREC test report #1520036. 6. Use test under medical supervision on 20 volunteers over 21 days. NACS FRANCE, RC5 Lyon 817 485 725. LD-AB(0001)Jan2021
**with glycerine formula
