Soothing and repairing, very high protection cream. Optimizes repairing process while preventing scar marks & post-inflammatory hyperpigmentation.

40ML

# CICABIO

THE NAOS ECOBIOLOGY SOLUTION FOR PAEDIATRIC DERMATISIS

## DIAPER RASH

OOZING

NON-OOZING

### 1 GENTLY CLEANSE

#### CICABIO BAUME LAVANT

Once a day, cleanse the diaper area with this soothing balm and lukewarm water, then pat it dry (do not rub).

### 2 DRY & REPAIR

#### CICABIO LOTION SPRAY

After cleansing, shake the bottle well and spray a thin, even layer all over the affected area. Apply 2 to 3 times per day for up to 5 days.

### REPAIR & SOOTHE

#### CICABIO CRÈME+

After cleansing, apply Crème+ to soothe and repair the damaged area. Apply twice a day until skin is completely healed.

## VARICELLA

VESICLES

SCABS

### GENTLY CLEANSE

#### CICABIO BAUME LAVANT

This cleansing balm purifies, soothes and reduces itching, thus is adapted for chickenpox patients. Use twice a day.

### DRY & REPAIR

#### CICABIO LOTION SPRAY

After cleansing, shake the bottle well and spray on the vesicles to dry and soothe to prevent scratching. Apply once or twice a day for up to 5 days.

### REPAIR & PROTECT

#### CICABIO CRÈME+ SPF50+

Apply once or twice a day on sun-exposed areas. Optimizes repair while limiting the pigmentation and formation of marks on sun-exposed areas.

## PERIORAL SPHERE

ANGULAR STOMATITIS

PERIORAL DERMATITIS

### GENTLY CLEANSE

#### CICABIO BAUME LAVANT

Twice a day, cleanse with this soothing balm and lukewarm water, then pat it dry (do not rub).

### REPAIR & SOOTHE

#### CICABIO CRÈME+

After cleansing, apply Crème+ to soothe and repair the damaged area. Apply twice a day until skin is completely healed.

### REPAIR & PROTECT

#### CICABIO CRÈME+ SPF50+

Apply once or twice a day on sun-exposed areas. Soothes and promotes optimal repair of the irritated perioral area while protecting it from UV damage.

THE NAOS ECOBIOLOGY SOLUTION FOR DAMAGED SKIN

## SUTURES & SUPERFICIAL WOUNDS

UNEXPOSED

EXPOSED

### 1 GENTLY CLEANSE

#### CICABIO BAUME LAVANT

Twice a day, cleanse with this soothing balm and warm water, then pat it dry (do not rub).

### 2 REPAIR & SOOTHE

#### CICABIO CRÈME+

After cleansing, apply Crème+ to optimize repair, reduce pain and itch. Apply twice a day until skin is completely healed.

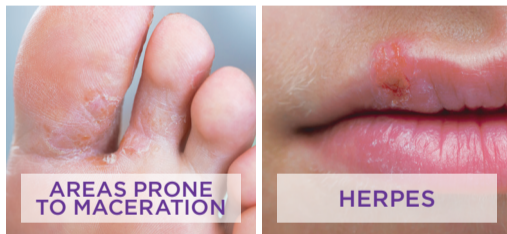

### REPAIR & PROTECT

#### CICABIO CRÈME+ SPF50+

Apply up to twice a day on sun-exposed areas. Optimizes repair while limiting the formation of pigmented marks.

## DERMATOSES

AREAS PRONE TO MACERATION

HERPES

### GENTLY CLEANSE

#### CICABIO BAUME LAVANT

Once a day, cleanse the maceration-prone area with this soothing balm and warm water, and dry it properly.

Twice a day, cleanse with this soothing balm and warm water, then pat it dry (do not rub).

### DRY & REPAIR

#### CICABIO LOTION SPRAY

After cleansing, shake the bottle well and spray a thin, even layer all over the affected area to dry out, soothe and repair. Apply once or twice a day for up to 5 days.

### REPAIR & PROTECT

#### CICABIO CRÈME+ SPF50+

Apply up to twice a day on sun-exposed areas. Optimizes repair while limiting the formation of pigmented marks.

## CRACKS & CREVICES

HANDS

LIPS

### GENTLY CLEANSE

#### CICABIO BAUME LAVANT

Also suitable for hand hygiene, this cleansing balm repairs and soothes damaged and cracked hands.

### DRY & REPAIR

#### CICABIO MAINS

Creates a protecting yet breathable biomimetic barrier. Intensely nourishes and repairs. Apply liberally when needed.

### REPAIR & TARGET

#### CICABIO LIP REPAIR

Restores damaged lips, provides in-depth repair and intense nourishment. Soothes instantly. Apply liberally when needed.

## AESTHETICS PROCEDURES

ABRASIVE (PEELING, TATTOO, CRYOTHERAPY, ETC.)

NON-ABRASIVE (INJECTIONS)

### GENTLY CLEANSE

#### CICABIO BAUME LAVANT

Twice a day, cleanse with this soothing balm and warm water, then pat it dry (do not rub).

### REPAIR & PROTECT

#### CICABIO CRÈME+ SPF50+

Apply up to twice a day on sun-exposed areas. Optimizes repair while limiting post-inflammatory hyperpigmentation-induced formation of pigmented marks or fading of tattoo.

### PREPARE

#### CICABIO ARNICA+

Prior to aesthetic procedures, apply Cicabio Arnica+ twice a day for 7 days. Ideal care for reducing congestion and tightness.
